TURNING TRASH INTO CASH$  The EC has approved the above named project for AALS. Each Chapter will be responsible for collecting and counting your coupons. You will turn your total in at each state meeting. The Chapter who has the biggest total will take proud possession of the “Blue Ribbon” Cheryl’s mom is making.

You will have the opportunity at each state meeting to take the Blue Ribbon. Tell your friends, family and co-workers to help collect.

The coupons we are collecting:

**LABELS FOR EDUCATION**  [http://www.labelsforeducation.com](http://www.labelsforeducation.com)

**Tyson Project A+**  [http://projectaplus.tyson.com](http://projectaplus.tyson.com)

Look at the websites and see all the products that have the coupons and other information.

See the attached form to complete to turn in each state meeting.

*Thanks, Dianne Meriweather, PLS*
